- Provide short customized training with staff on transportation options in the area (so staff can help residents more effectively)*
- Provide group or 1:1 resident assistance with scheduling and/or using transit (Travel Training)*

Our work is funded in part through the Minnesota Department of Transportation through a Section 5310 Enhanced Mobility Grant. All training is provided at no cost to residents or our partners.

- **Transportation Familiarization** – an explanation of transportation options that is tailored to a person's specific questions and needs.
- **Transportation Training** – in-depth explanation of transportation options and the steps for how to use each of them. The GoWashington team can provide group training for staff, partners, or caregivers. This training can be customized from a single 45-minute overview to a **Train-the-Trainer** series of intensive, detailed training designed to create Transportation Navigators.
- **Travel Training** – in-depth training for riders (transit users). “Complete Trip” Travel Training is when a Transportation Navigator works with a resident or small group of people to address all the considerations for safe travel, from traffic, to supplies, payment, sidewalks, mobility, communicating/public interactions, seeking assistance, safety, weather accommodations, planning, and practice trips.
