Transportation and Travel Training

Our Mission → To provide residents of Washington County with transportation information that helps people get where they want to go safely and affordably.

The Community Services' GoWashington Team works to connect riders, providers, and deciders by keeping GoWashingtonMN.com up-to-date and providing support for staff and residents needing transportation information. Virtual or in-person, we can provide a quick overview, or dig deep to address unique transportation needs. We can…

- Answer transportation questions via phone, email, virtual meeting, or in-person visit
- Drop brochures off with staff for site/program common areas, mail boxes, new resident welcome packets, etc.
- Table at an event, or in common spaces for walk-up Transportation Q&A
- Provide short customized training with staff on transportation options in the area (so staff can help residents more effectively)*
- Provide group or 1:1 resident assistance with scheduling and/or using transit (Travel Training)*

Our work is funded in part through the Minnesota Department of Transportation through a Section 5310 Enhanced Mobility Grant. All training is provided at no cost to residents or our partners.

Please Call 651-430-6651 or visit GoWashingtonMN.com → click on "Contact Us" to speak to a navigator or schedule training.

Examples of Training Available*

- **Transportation Orientation** – a brief, accurate overview of transportation options.
- **Transportation Familiarization** – an explanation of transportation options that is tailored to a person's specific questions and needs.
- **Transportation Training** – in-depth explanation of transportation options and the steps for how to use each of them. The GoWashington team can provide group training for staff, partners, or caregivers. This training can be customized from a single 45-minute overview to a **Train-the-Trainer** series of intensive, detailed training designed to create Transportation Navigators.
- **Travel Training** – in-depth training for riders (transit users). "Complete Trip" Travel Training is when a Transportation Navigator works with a resident or small group of people to address all the considerations for safe travel, from traffic, to supplies, payment, sidewalks, mobility, communicating/public interactions, seeking assistance, safety, weather accommodations, planning, and practice trips.
