**The Community Services' GoWashington Team** works to connect riders, providers, and deciders by keeping [GoWashingtonMN.com](http://GoWashingtonMN.com) up-to-date and providing support for staff and residents needing transportation information. Virtual or in-person, we can provide a quick overview, or dig deep to address unique transportation needs. We can...

- Answer transportation questions via phone, email, virtual meeting, or in-person visit
- Drop brochures off with staff for site/program common areas, mail boxes, new resident welcome packets, etc.
- Table at an event, or in common spaces for walk-up Transportation Q&A
- Provide short customized training with staff on transportation options in the area (so staff can help residents more effectively)\*
- Provide group or 1:1 resident assistance with scheduling and/or using transit (Travel Training)\*

Our work is funded in part through the Minnesota Department of Transportation through a Section 5310 Enhanced Mobility Grant. All training is provided at no cost to residents or our partners.
